In the matter of:

Local Access LLC., Applicant For)
Authorization to Obtain Numbering)
Resources Pursuant to Section)
52.15(g) of the Commission Rules)

APPLICATION OF LOCAL ACCESS LLC. AUTHORIZATION
TO OBTAIN NUMBERING RESOURCES

Local Access LLC. ("Local Access") pursuant to Section 52.15(g)(3)(i) of the Commission's Rules, respectfully requests authorization to obtain numbering resources as described below.

Applicant requests the Commission grant it authorization as set forth in the Commission's *Numbering and Policies for the Modern Communications*, FCC 15-70 (June 22, 2015) to obtain numbering resources from the North American Numbering Administrator.

In support of this application Local Access LLC. provides the following information.

Applicant:
Robert Russel
President

Local Access acknowledges that authorization to obtain numbering resources under Section 52.15 (g) of the Commission's Rules is subject to compliance with applicable Commission numbering rules, numbering authority delegated to the states, and industry guidelines, and practices regarding numbering as applicable to telecommunications carriers.

Local Access acknowledges it must file requests for numbers with the relevant state commission(s) at least thirty (30) days before requesting numbers from the Numbering Administrators.

As proof of its facilities readiness, Local Access has attached to this application proof of three agreements between Local Access and its carrier partners and an agreement with their tandem access provider. These agreements provide that their partners will host Local Access numbers on their switches and provide PSTN connectivity for inbound calls to Local Access. (Exhibit A)

②

Local Access is currently certified in 28 states and has plans to offer service in the rest of the states, the District of Columbia, Puerto Rico, and the Virgin Island by the end of 2016. Details are attached. (Exhibit B) Local Access has an OCN and SPID and has managed their own number blocks for over ten years. Local Access has also just received the most recent training on the iconnectiv procedures and rules in preparation for the conversion from Neustar. As a result, Local Access already has in place the necessary procedures to enable it to place numbers into service within 60 days of approval.

Local Access hereby certifies that it has the financial, managerial, and technical expertise to provide reliable service. Local Access is comprised of an experienced Telecom and IP management team established 2010. Local Access has been successfully offering termination to over 150 carriers, resellers and companies.

Local Access certifies that it will comply with its Universal Service Fund contribution obligations under 47 CFR part 54, subpart H, its Telecommunications Relay Service contribution obligations under 47 CFR § 64.604(5)(iii), its North American Numbering Plan and Local Number Portability Administration contribution obligations under 47 CFR §§52.17, 52.32, its obligations to pay regulatory fees under 47 CFR §1.1154, and its 911 obligations under 47 CFR part 9. FCC 499 fees have been paid by Local Access since 2012 and all fees are up to date per the FCC Red-light tool.

Local Access, key management personnel are listed below. None of the identified personnel are being or have been investigated by the Commission or any law enforcement or regulatory agency for failure to comply with any law, rule, or order.

Local Access certifies that no party to this application is subject to a denial of Federal benefits pursuant to section 5301 of the Anti-Drug Abuse Act of 1988. See 21 U.S.C. § 862

As required by Section 52.15(g)(3)(iv), Local Access will maintain the accuracy of all contact information and certifications in this application, and will file a correction with the Commission and each applicable state within 30 days of any changes. Local Access, will also furnish accurate regulatory and numbering contact information to each state commission when requesting numbers in that state.

Pursuant to Section 52.15(g)(3)(I) of the Commission's Rules, Local Access respectfully requests the Commission grant this application for authorization to obtain number resources.

Respectfully submitted,

Robert Russell
President

RE: Joint Filing of
Verizon North LLC and Local Access LLC
of Adoption of an Interconnection Agreement
Dkt. No.

Dear Secretary Chiavetta:

Enclosed please find the joint filing of Verizon North LLC and Local Access LLC of Adoption of an Interconnection Agreement. The Interconnection Agreement being adopted is the Agreement between Verizon North LLC and Peerless Network of Pennsylvania, LLC, which was approved by the Commission by Order entered December 1, 2011 in Docket No. A-2011-2264797. The Adoption is deemed effective as of December 14, 2012, and was signed by the second of the two parties' signers on February 6, 2013. Thus, this Joint Filing is being made within 30 days of the day that the Agreement was signed, as required by ordering Paragraph 5 of the Commission's May 3, 2004 Final Order in Docket No. M-00960799. As evidenced by the cc: below, notice of this filing is being provided to Local Access LLC.

Very truly yours,
