B. § 52.15(g)(3)(i)(B)

46 Labs hereby acknowledges that authorization to obtain numbering resources under Section 52.15(g) of the Commission's Rules is subject to compliance with applicable Commission numbering rules as well as to the numbering authority delegated to the states. The Company hereby also acknowledges that this authorization is subject to compliance with industry guidelines and practices regarding numbering, as applicable to telecommunications carriers. 46 Labs intends to offer services immediately in the state of California but also seeks authority to access numbering resources throughout the United States.

C. § 52.15(g)(3)(i)(C)

46 Labs acknowledges that it must file requests for numbers with the relevant state commission(s) at least 30 days before requesting numbers from the Numbering Administrators.

D. § 52.15(g)(3)(i)(D)

46 Labs authenticates its' capability to provide service within 60 days of the numbering resources activation date. 46 Labs is an established interconnected VoIP carrier providing voice and network services for small to medium sized businesses located in the United States. The Company was founded by several highly experienced telecommunications professionals and in addition, has several highly skilled technical employees. 46 Labs has negotiated an Interconnect Agreement with Sinch Networks, a (CLEC) Competitive Local Exchange Carrier, to serve as 46 Labs' access homing tandem and to route local and access traffic (both originating and terminating) to the **PSTN**. 46 Labs will interconnect with and broadcast Sinch's tandem platforms for the purposes of managing all codes assigned to 46 Labs OCNs. The interconnect agreement demonstrating the access to the platform and capability of (Sinch's Network) is attached to this application as Confidential **Exhibit C**.

46 Labs is Stir & Shaken compliant and will provide the necessary "KYC" documentation for their customers as required by STI-GA Authorities. In addition 46 LABs will sign all of their outbound calls with a Stir & Shaken certificate and will validate all incoming calls for a Stir & Shaken certificate.

In addition, Sinch's interconnection to the PSTN through its MSA/ICA with the LECs is included in **Exhibit D** of this filing.

E. § 52.15(g)(3)(i)(E)

46 Labs hereby certifies that it will comply with its Universal Service Fund contribution obligations under 47 CFR part 54, subpart H, its Telecommunications Relay Service contribution obligations under 47 CFR § 64.604(c)(5)(iii), its North American Numbering Plan and Local Number Portability Administration contribution obligations under 47 CFR §§ 52.17 and 52.32, its obligations to pay regulatory fees under 47 CFR § 1.1154, and its 911 obligations under 47 CFR part 9. 46 Labs' FRN and 499 filer ID is included in **Exhibit A**

F. § 52.15(g)(3)(i)(F)

The Company certifies that it has the financial, managerial, and technical expertise to provide reliable service. It is financially stable, led by a strong, experienced management team with substantial managerial experience in the telecommunications industry, and has sufficient technical expertise and infrastructure in place to provide reliable numbering services. 46 Labs' key management and technical personnel are identified in attached **Exhibit B**. None of the identified personnel are being or have been investigated by the Commission or any law enforcement or regulatory agency for failure to comply with any law, rule, or order.

G. § 52.15(g)(3)(i)(G)

46 Labs hereby certifies that no party to this application is subject to a denial of Federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. § 862.

II. ACKNOWLEDGEMENT OF CONDITIONS IN SECTION 52.15(g)(3)(iv)

As required by Section 52.15(g)(3)(iv), 46 Labs will maintain the accuracy of all contact information and certifications in this application and will file a correction with the Commission and each applicable state within 30 days of any changes. 46 Labs will also furnish accurate regulatory and numbering contact information to each state commission when requesting numbers in that state.

III. CONCLUSION

Pursuant to Section 52.15(g)(3)(i) of the Commission's Rules, 46 Labs, respectfully requests the Commission grant this application for authorization to obtain numbering resources.

Respectfully submitted for 46 Labs, INC.
