**Re:** Request for Confidential Treatment of Filing of Manhattan Telecommunications Corp.; *Manhattan Telecommunications Corporation d/b/a MetTel, Applicant, For Authorization to Obtain Numbering Resources Pursuant to Section 52.15(g) of the Commission's Rules*, WC Docket No. 15-\_\_\_\_\_

Dear Ms. Dortch:

Pursuant to Section 52.15(g)(3)(i) of the Commission's Rules, Manhattan Telecommunications Corporation ("MetTel") hereby submits its application requesting authorization to obtain numbering resources.

MetTel respectfully requests that, pursuant to Sections 0.457 and 0.459 of the Commission's rules, 47 C.F.R. §§ 0.457 and 0.459, the Commission withhold from public inspection and accord confidential treatment to Exhibit A-Statement to the application because that document contain sensitive trade secrets and commercial information that falls within Exemption 4 of the Freedom of Information Act ("FOIA").<sup>1</sup> MetTel is voluntarily providing this information, "of a kind that would not customarily be released to the public"; therefore, this information is "confidential" under FOIA.<sup>2</sup> Moreover, MetTel would suffer substantial competitive harm if this information were disclosed.<sup>3</sup>

Exhibit A is accordingly marked with the header "SUBJECT TO REQUEST FOR CONFIDENTIAL TREATMENT – NOT FOR PUBLIC INSPECTION."

<sup>2</sup> See *Critical Mass Energy Project v. NRC*, 975 F.2d 871, 879 (D.C. Cir. 1992).

<sup>3</sup> See *National Parks and Conservation Ass'n v. Morton*, 498 F.2d 765 (D.C. Cir. 1974).

In support of this request and pursuant to Section 0.459(b) of the Commission's rules,<sup>4</sup> MetTel hereby states as follows:

**1. IDENTIFICATION OF THE SPECIFIC INFORMATION FOR WHICH CONFIDENTIAL TREATMENT IS SOUGHT<sup>5</sup>**

MetTel seeks confidential treatment of Exhibit A to the enclosed application.

**2. DESCRIPTION OF CIRCUMSTANCES GIVING RISE TO THE SUBMISSION<sup>6</sup>**

MetTel is submitting a Statement that describes MetTel's Proof of Facilities Readiness as required by Section 52.15(g)(3)(i)(D) of the Commission's rules.

**3. EXPLANATION OF THE DEGREE TO WHICH THE INFORMATION IS COMMERCIAL OR FINANCIAL, OR CONTAINS A TRADE SECRET OR IS PRIVILEGED<sup>7</sup>**

The information for which MetTel seeks confidential treatment contains sensitive commercial information "which would customarily be guarded from competitors."<sup>8</sup> Exhibit A describes the agreement between MetTel and our Carrier Partner and how this agreement supports Proof of Readiness. This description contains proprietary commercial information.

**4. EXPLANATION OF THE DEGREE TO WHICH THE INFORMATION CONCERNS A SERVICE THAT IS SUBJECT TO COMPETITION<sup>9</sup>**

Exhibit A contains information relating to commercial matters that could be used by competitors to MetTel's disadvantage. MetTel has numerous competitors in the Voice over Internet Protocol ("VoIP") services sector in which it operates. Detailed operations and commercial information of the type provided by MetTel could compromise MetTel's position in this highly competitive industry. Release would therefore result in substantial competitive harm to MetTel.
