**b. REQUEST FOR CONFIDENTIAL TREATMENT**

**1. 47 C.F.R. § 0.459(b)(1)**

**2. 47 C.F.R. § 0.459(b)(2)**

As proof of Dialwave's compliance with 47 C.F.R. Part 9 as required by 47 C.F.R. § 52.15(g)(3)(ii)(E), Dialwave is submitting technical details of its 911 integration and agreement with its carrier partner as *Confidential Exhibit A*.

*Confidential Exhibit A* describes the technical details of Dialwave's 911 integration. *Confidential Exhibit A*, *Confidential Exhibit C*, and *Confidential Exhibit D* contain agreements between Dialwave and its carrier partner. All three exhibits contain proprietary commercial information regarding the operations, pricing, network, services, and operating costs of both Dialwave and its carrier partner.

**4. 47 C.F.R. § 0.459(b)(4)**

*Confidential Exhibit A*, *Confidential Exhibit C*, and *Confidential Exhibit D* contain information relating to commercial matters that could be used to the

competitive disadvantage of Dialwave. Dialwave has numerous competitors in the Voice over Internet Protocol (“VoIP”) services sector in which it operates. Detailed operations and commercial information of the type provided by Dialwave could compromise Dialwave’s position in this highly competitive industry. Release would therefore result in substantial competitive harm to Dialwave.

**5. 47 C.F.R. § 0.459(b)(5)**

Competitors could use Dialwave’s proprietary commercial and operational information to Dialwave’s detriment as they would gain access to sensitive information about how Dialwave provides services as well as about Dialwave’s commercial agreements with others in the market that are not normally disclosed to the public.

**6. 47 C.F.R. § 0.459(b)(6)**

Dialwave has not disclosed the information in *Confidential Exhibit A*, *Confidential Exhibit C*, and *Confidential Exhibit D* to the public.

**7. 47 C.F.R. § 0.459(b)(7)**

Dialwave has not disclosed the information in *Confidential Exhibit A*, *Confidential Exhibit C*, and *Confidential Exhibit D* to the public or third parties.

**8. 47 C.F.R. § 0.459(b)(8)**

Dialwave requests that *Confidential Exhibit A*, *Confidential Exhibit C*, and *Confidential Exhibit D* be treated as confidential for a period of ten years. This period is necessary due to the proprietary nature of the information contained in the exhibits.

**9. 47 C.F.R. § 0.459(b)(9)**

The information concerns Dialwave's proprietary network information, related to current and planned commercial and operational information, and, as such, is commercially sensitive.

**c. CONCLUSION**

Dialwave respectfully requests that the Commission grant this application for authorization to obtain numbering resources.

Respectfully submitted,

/s/ Robert Nichols
