**APPLICATION OF IFN.COM, INC. FOR AUTHORIZATION TO OBTAIN  
NUMBERING RESOURCES**

IFN.COM, Inc. ("IFN" or "Company"),<sup>1</sup> pursuant to Section 52.15(g)(3)(i) of the Commission's Rules, respectfully requests authorization to obtain numbering resources as described below.

Under the Commission's Numbering Order, an interconnected VoIP provider may obtain numbering resources from the Numbering Administrator upon a showing that it is authorized to provide service in the area for which the numbering resources are requested. Such authorization may be obtained upon an application to the Commission containing the information detailed in Section 52.15 (g)(3)(i)(A)-(G) of the Commission's Rules. IFN hereby requests the Commission grant it that authorization. In support of this Application, IFN provides the following information:

B. § 52.15(g)(3)(i)(B)

IFN hereby acknowledges that authorization to obtain numbering resources under Section 52.15(g) of the Commission's Rules is subject to compliance with applicable Commission numbering rules as well as to the numbering authority delegated to the states. The Company hereby also acknowledges that this authorization is subject to compliance with industry guidelines and practices regarding numbering, as applicable to telecommunications carriers. The numbering resources that are the subject of this Application will be used to provide interconnected VoIP services initially in California, however the Company anticipates that it will provide interconnected VoIP service nationwide, and accordingly, will request numbers from the other states in turn after its initial request in California. Accordingly, to the extent required, IFN requests the Commission grant it authority to obtain numbering resources in all states.

C. § 52.15(g)(3)(i)(C)

IFN acknowledges that it must file requests for numbers with the relevant state commission(s) at least 30 days before requesting numbers from the Numbering Administrators.

D. § 52.15(g)(3)(i)(D)

IFN hereby sets forth its capability to provide service within 60 days of the numbering resources activation date. IFN has an agreement in place with a nationally recognized carrier partner, which has interconnection agreements in effect with all relevant incumbent local exchange carriers, in order to route traffic. A copy of this agreement is attached as **Exhibit A** to this Application. IFN respectfully requests this agreement be accorded confidential treatment, pursuant to § 0.459 of the Commission's rules. IFN provides a link to a public website that contains a currently effective interconnection agreement between its carrier partner and an incumbent local exchange carrier ("ILEC"). <https://www.attsuppliers.com/clec.asp?docID=1971581&key=Bandwidth>. IFN is also in the process of obtaining an Operating Company Number ("OCN"), which will be provided to the

Commission.

In addition, the Company has a back-office support system with the ability to schedule and process Local Number Portability ("LNP") orders from customers, and has staff experienced in handling number porting requests between itself and other carriers and interconnected VoIP providers.

E. § 52.15(g)(3)(i)(E)

IFN hereby certifies that it will continue to comply with its Universal Service Fund contribution obligations under 47 CFR part 54, subpart H, its Telecommunications Relay Service contribution obligations under 47 CFR § 64.604(c)(5)(iii), its North American Numbering Plan and Local Number Portability Administration contribution obligations under 47 CFR §§ 52.17 and 52.32, its obligations to pay regulatory fees under 47 CFR § 1.1154, and its 911 obligations under 47 CFR part 9.

F. § 52.15(g)(3)(i)(F)

The Company certifies that it has the financial, managerial, and technical expertise to provide reliable service and is both 911 and CALEA compliant.<sup>2</sup> It is financially stable, led by a managerial team with substantial operational experience in the telecommunications industry, and has sufficient technical expertise and infrastructure in place to provide reliable service.

Travis May, CEO, has a Bachelor of Science with a major in Computer Science and Minor in Management Information Systems from Central Michigan University. Travis has 20 years of experience in the telecommunications industry.

Jason O'Brien, COO, has Bachelor of Science in Information Systems from the University of Redlands. Jason has over 13 years of experience in the telecommunications industry.

Daniel Farrell, Vice President of IT has over 20 years of experience with information technology and software development. He has 10 years' experience in telecommunications. Daniel graduated from Pepperdine University with a bachelor's degree in business management.

None of these individuals is being or has not been investigated by the Commission or any law

enforcement or regulatory agency for failure to comply with any law, rule, or order.

G. § 52.15(g)(3)(i)(G)

IFN hereby certifies that no party to this Application is subject to a denial of Federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. § 862.

## **II. ACKNOWLEDGEMENT OF CONDITIONS IN SECTION 52.15(g)(3)(iv)**

As required by Section 52.15(g)(3)(iv), IFN will maintain the accuracy of all contact information and certifications in this Application and will file a correction with the Commission and each applicable state within 30 days of any changes. IFN will also furnish accurate regulatory and numbering contact information to each state commission when requesting numbers in that state.

## **III. CONCLUSION**

Pursuant to Section 52.15(g)(3)(i) of the Commission's Rules, IFN respectfully requests the Commission grant this Application for authorization to obtain numbering resources.

Respectfully submitted,
