**MOTION OF METRO FIBERNET, LLC TO WITHDRAW**

Metro Fibernet, LLC (“MFN”) previously filed an application with the Federal Communications Commission (the “Commission”) for authorization to acquire telephone numbers directly from the North American Numbering Plan Administrator and the Pooling Administrator (the “Numbering Administrators”) pursuant to Commission rule section 52.15(g)(3).<sup>1</sup> Since the time of filing, MFN’s management has decided to acquire this capability through a third party.

Because MFN no longer needs to acquire telephone numbers from the Numbering Administrator, the Application is now moot. MFN requests to withdraw its Application without prejudice. MFN may need this authority at some point in the future as customer volume increase. As such, MFN seeks the ability to refile an Application at an appropriate future date.

Please close the Docket at this time. To the extent MFN needs to acquire telephone numbers directly in the future, it will open a new docket.

<sup>1</sup> 47 C.F.R. § 52.15(g)(3).

WHEREAS MFN no longer needs to access telephone numbers directly, WC Docket No. 19-100 should be CLOSED.

Submitted this 14<sup>th</sup> day of March, 2021.

Respectfully submitted,
