Re: Amendment to *Application of Telnix LLC, For Authorization to Obtain Numbering Resources*, WC Docket No. 16-172

Dear Ms. Collins:

Pursuant to our conversation yesterday, Telnix LLC (“Telnix”) provides the following information to amend the above-captioned application requesting authorization to obtain numbering resources.

1. The second paragraph of the application states that “the numbers will be primarily used in providing voice over Internet protocol services.” While this will be the primary use, applicant anticipates that it will use some of the numbers to provide SMS services.
2. The telephone number for the applicant required by § 52.15(g)(3)(i)(A) is 312-945-7240.
3. No foreign individual or entity owns ten percent or more of the applicant.

Should you have any questions regarding this amendment, please contact me at the number above.

Respectfully submitted,
