Re: Origin Networks, LLC dba Infostructure, Application for Authorization to Obtain Numbering Resources, WC Docket No. 18-12

Dear Secretary Dortch:

Pursuant to conversation with Ms. Jean Ann Collins today regarding the above-referenced matter, Origin Networks, LLC dba Infostructure (“Infostructure”) provides the following additional information.

With regard to Infostructure’s acknowledgment that the authorization granted under pursuant to 47 C.F.R. §52.15(g)(3) is subject to compliance with applicable Commission numbering rules; numbering authority delegated to the states; and industry guidelines and practices regarding numbering as applicable to telecommunications carriers,¹ Infostructure affirmatively acknowledges that its authorization to obtain numbering resources under Section 52.15(g) of the Commission’s Rules is subject to compliance with applicable Commission numbering rules, numbering authority delegated to the states; and industry guidelines and practices regarding numbering as applicable to telecommunications carriers.

Regarding the states where Infostructure initially intends to obtain numbering resources, Infostructure will initially seek to obtain numbering resources in the States of Oregon, Washington, and California.

Thank you for your attention to this matter. Questions may be directed to the undersigned.

Sincerely,

MILLER ISAR, INC.
