NUMBERING AUTHORIZATION APPLICATION

Magna5 LLC ("Applicant"), hereby applies for authorization to obtain telephone numbers directly from the North American Numbering Plan Administrator and the Pooling Administrator (collectively, "Numbering Administrators") pursuant to and in accordance with Section 52.15 (g) of the Commission's rules. In support hereof, Applicant respectfully states:

1. Applicant's name, headquarters' address and telephone number are as follows:

Magna5 LLC
5445 Legacy Dr., Suite 180
Plano, TX 75024
214-932-9293

2. The primary type of business of Applicant is telecommunications services, which includes interconnected VoIP. The numbering resources that are the subject of this Application will be used to provide interconnected VoIP services, initially in New York, Oregon, and Washington. Applicant intends to eventually use the numbering resources to provide such services throughout the United States, including its territories and possessions.
3. The name and contact information for personnel of Applicant qualified to address issues relating to regulatory requirements, compliance with Commission rules, 911 and law enforcement is as follows:

Joseph O'Hara, CFO; regulatory@magna5global.com; (214) 932-9293
5445 Legacy Dr., Suite 180, Plano, TX 75024

4. Applicant acknowledges that the authorization is subject to compliance with applicable Commission numbering rules, numbering authority delegated to the states and industry guidelines and practices regarding numbering applicable to telecommunications carriers.

5. Applicant acknowledges that it must file requests for telephone numbers with the relevant state commissions at least thirty (30) days before requesting telephone numbers from the Numbering Administrators.
6. As proof of facilities readiness, namely that Applicant is capable of providing service within sixty (60) days of the numbering resources activation date, Applicant submits that it already has interconnection with the PSTN pursuant to a commercial arrangement that provides access to the PSTN; in particular, Applicant has an agreement with its carrier partner, Inteliquent, who, in turn, has interconnection agreements in effect with all of the relevant local exchange carriers for the states that are the subject of the Application and in which such carriers provide access to the PSTN, including AT&T, Verizon, and CenturyLink. Applicant further states that it has in place the practices and procedures that already enable it to successfully route and port numbers as a licensed CLEC in Kentucky, Massachusetts, New Jersey, New York, Oregon, Pennsylvania, Utah, and Washington since 2015; in particular, Applicant has an OCN (090J), has an agreement with Inteliquent to support number routing, and has a full staff prepared for porting.
7. Applicant certifies that it complies with its Universal Service Fund contribution obligations under 47 CFR part 54, subpart H, its Telecommunications Relay Service contribution obligations under 47 CFR § 64.604(c)(5)(iii), its North American Numbering Plan and Local Number Portability Administration contribution obligations under 47 CFR §§ 52.17, 52.32, its obligations to pay regulatory fees under 47 CFR § 1.1154 and its 911 obligations under 47 CFR part 9.
8. As demonstrated by its successful operations as a licensed facilities based CLEC in Kentucky, Massachusetts, New Jersey, New York, Oregon, Pennsylvania, Utah, and Washington since 2015, and as a FCC International Bureau Section 214 licensed carrier since 2015, Applicant certifies that it possesses the financial, managerial and technical expertise to provide reliable service. Attached hereto as Attachment A is the Applicant's Organizational Chart. Attached hereto as Attachment B are the names and descriptions of Applicant's key management and technical personnel. Applicant states that none of the identified personnel are being or have been investigated by the Commission or any law enforcement or regulatory agency for failure to comply with any law, rule or order.
9. Applicant certifies pursuant to Sections 1.2001 and 1.2002 of the Commission's rules that no party to this Application is subject to a denial of Federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988. See 21 U.S.C. § 862.

WHEREFORE, Applicant respectfully requests the Commission to grant this Application for numbering resources.

Respectfully Submitted,

Matt W. Dean

Greg Forrest
Chief Executive Officer

Greg brings global perspective, entrepreneurial drive and proven successes to his role as CEO of Magna5. With a track record of building businesses through enterprise transformations and market consolidation strategies, Greg has extensive experience in leading and operating technology-enabled services businesses; all resulting in significant revenue growth, operating leverage and improved operational efficiencies. His past successes in creating shareholder value through financial performance, in both public and private companies, drove him to lead the initiative to lead the acquisition of three companies and bring them together as Magna5.

An enthusiastic, engaging leader driven to bring together teams of people within varied companies to drive greater successes, Greg is a talented c-level executive skilled in fostering business environments that encourage employees to exceed goals, all while keeping the service levels customer based and responsive to the changing needs of the marketplace. His has extensive expertise in Business Transformations, M&A, Integration, Compliance/Governance and Organizational Change Management.

He previously served as CEO/President of publicly-traded XETA Technologies (NASDAQ: XETA) with annual revenues of \$100M+ and headcount of 450 employees. He implemented growth strategies resulting in a 2X increase in revenue run rate, improved operating leverage while completing a business transformation and ultimately engineered the successful merger agreement with PAETEC Holding Corp. (now Windstream), acquired at \$5.50 per share, a 67% premium over average market closing price for previous six months. Greg also launched a US Geo for a Global Technology Service Provider located in Mumbai, India. The two-year outcome of this initiative resulted in a profitable \$50M U.S. operating entity where growth was achieved through acquisition and organic methods.

In 2011, Greg was recognized for his significant accomplishments by being named a Finalist of the Ernst and Young Entrepreneur of the Year Award. Greg is a graduate of the University of Washington.

Joe O'Hara
Chief Financial Officer

Chief Financial Officer Joe O'Hara brings a wealth of financial acumen specific to the telecommunications industry to Magna5. In his role, he oversees corporate finance and accounting functions for the company, including financial reporting, planning and analysis.

Before joining Magna5 in January 2017, Joe was the CFO of ANPI, LLC where he led various initiatives of corporate development activity, including the launch of a start-up subsidiary and other business expansion initiatives. During his time at ANPI, Joe was in a variety of finance roles, including Director of Finance and Accounting.

While responsible over the finance function, he worked to secure equity capital for the organization through multiple private placement offerings and by establishing commercial debt facilities, providing capital for the organization to successfully pursue its growth initiatives.

Throughout his time at ANPI, Joe worked closely with the Chief Executive Officer and the Board of Directors regarding the strategic focus of mergers and acquisitions activity and led critical activities surrounding due diligence, structuring, negotiations and final documentation.

Joe is a licensed Certified Public Accountant in Texas and Illinois, and is accredited in business valuation. He also holds a Masters of Business Administration degree with a concentration in finance from the University of Illinois at Urbana-Champaign.

Dan Horton
Chief Information Officer

Dan brings 25 years of telecommunications and operations experience to Magna5 and is dedicated to providing strong leadership skills in technology management and product development.

Dan served as the Chief Technology Officer at X5 Solutions, one of the companies brought together to make up Magna5, overseeing the day-to-day operations and operational strategy at one of the largest telecommunications providers in the Pacific Northwest.

Before his tenure at X5 Solutions, he was co-founder and Chief Technology Officer of Who's Calling, where he focused on growing the company from a start-up to \$75 million in annual sales. Throughout his career in the telecommunications industry, Dan held many executive positions, exhibiting his abilities to respond to the changing needs a company, no matter the title he held; from COO to CIO, CTO and VP of Engineering in CLECs, ISPs and IXCs, Dan's varied experience in dealing with all aspects of operational management, engineering and development, product management, network management and vendor management is extensive. He has unique experience bridging technology, business strategy, product development and operations together while transforming these elements from concepts to business success.
