Dear Ms. Dortch:

WaveNation, LLC (“WaveNation”) hereby submits this Supplement to its Application for Authorization to Obtain Number Resources (“Application”), which was filed with the Federal Communications Commission (“Commission”) on November 23, 2020. As requested, WaveNation hereby provides the Service Order – PSTN Control Service – Interconnected VoIP between WaveNation and Peerless Network.

WaveNation respectfully requests that, pursuant to Sections 0.457 and 0.459 of the Commission’s rules, 47 C.F.R. § 0.457 and 0.459, the Commission withhold from public inspection, the Service Order – PSTN Control Service – Interconnected VoIP in its entirety as confidential because the document contains trade secrets and commercially sensitive “Pricing” information that falls within Exemption 4 of the Freedom of Information Act (“FOIA”), 5 U.S.C. § 552(b)(4). The information in the document is “of a kind that would not customarily be released to the public” and therefore, this information qualifies for confidential treatment under FOIA. WaveNation respectfully submits that it would suffer substantial competitive harm if this information was disclosed.
