Re: FracTel, LLC., Applicant for Authorization to Obtain Number Resources  
Pursuant to Section 52.15(g) of the Commission's Rules

Dear Ms. Dortch:

Pursuant to Section 52.15(g)(3)(i) of the Commission's Rules, FracTEL, LLC hereby wishes to submit an amendment to its application requesting authorization to obtain numbering resources.

In the original application under (D) § 52.15(g)(3)(i)(D), it was stated that “As proof of its facilities readiness, FracTEL has attached to this application (1) demonstration of established interconnect between FracTEL and its carrier partner providing PSTN connectivity for inbound calls to FracTEL numbers ...” This amendment is to correct that sentence to, “As proof of its facilities readiness, FracTEL has attached to this application (1) demonstration of established interconnect between FracTEL and its carrier partner providing PSTN connectivity for both inbound and outbound calls to and from FracTEL numbers.”

For any question regarding this application, please contact Aelea Christofferson at 541-771-8814 or [aelea@alccon.com](mailto:aelea@alccon.com).

Respectfully Submitted,

A handwritten signature in blue ink that appears to read "Michael Crown".
