B. § 52.15(g)(3)(i)(B)

IPitomy hereby acknowledges that authorization to obtain numbering resources under Section 52.15(g) of the Commission's Rules is subject to compliance with applicable Commission numbering rules, as well as to the numbering authority delegated to the states. The Company hereby also acknowledges that this authorization is subject to compliance with industry guidelines and practices regarding numbering, as applicable to telecommunications carriers. The numbering resources that are the subject of this Application will be used to provide interconnected VoIP services initially in Florida, however the Company anticipates that it will provide interconnected VoIP service nationwide, and accordingly, will request numbers from the other states in turn after its initial request in Florida. Accordingly, to the extent required, IPitomy requests the Commission grant it authority to obtain numbering resources in all states.

C. § 52.15(g)(3)(i)(C)

IPitomy acknowledges that it must file requests for numbers with the relevant state commission(s) at least 30 days before requesting numbers from the Numbering Administrators.

D. § 52.15(g)(3)(i)(D)

IPitomy hereby sets forth its capability to provide service within 60 days of the numbering resources activation date. IPitomy has an agreement in place with a nationally recognized carrier partner, which has interconnection agreements in effect with all relevant incumbent local exchange carriers, in order to route traffic. A copy of this agreement is attached as ***Exhibit A*** to this Application. IPitomy respectfully requests this agreement be accorded confidential treatment, pursuant to § 0.459 of the Commission's rules. IPitomy provides a link to a public website that contains a currently

effective interconnection agreement between its carrier partner and an incumbent local exchange carrier ("ILEC"). [Link](#). IPitomy is also in the process of obtaining an Operating Company Number.

In addition, the Company has a back-office support system with the ability to schedule and process Local Number Portability ("LNP") orders from customers, and has staff experienced in handling number porting requests between itself and other carriers and interconnected VoIP providers.

E. § 52.15(g)(3)(i)(E)

IPitomy hereby certifies that it will continue to comply with its Universal Service Fund contribution obligations under 47 C.F.R. part 54, subpart H, its Telecommunications Relay Service contribution obligations under 47 C.F.R. § 64.604(c)(5)(iii), its North American Numbering Plan and Local Number Portability Administration contribution obligations under 47 C.F.R. §§ 52.17 and 52.32, its obligations to pay regulatory fees under 47 C.F.R. § 1.1154, and its 911 obligations under 47 C.F.R., Part 9.

F. § 52.15(g)(3)(i)(F)

The Company certifies that it has the financial, managerial, and technical expertise to provide reliable service and is both 911 and CALEA compliant.² IPitomy partners with Bandwidth.com to provide E911 services within its network. It is financially stable, led by a managerial team with substantial operational experience in the telecommunications industry, and has sufficient technical expertise and infrastructure in place to provide reliable service.
