**APPLICATION OF WOW! INTERNET, CABLE AND PHONE  
FOR AUTHORIZATION TO OBTAIN NUMBERING RESOURCES**

WOW! Internet, Cable and Phone (“WOW!” or “Applicant”), pursuant to Section 52.15(g)(3)(i) of the Commission’s Rules, respectfully requests authorization to obtain numbering resources as described below in operation as a provider of Internet Protocol Enabled Services (IPES) utilizing Voice-over-Internet Protocol (VoIP) technology. Under the Commission’s *Numbering Order*,<sup>1</sup> an interconnected VoIP provider may obtain numbering resources from the Numbering Administrator upon a showing that it is authorized to provide service in the area for which the numbering resources are requested. Authorization may be obtained upon application to the Commission. The application is to include the information detailed in Sections 52.15(g)(3)(i)(A)-(G) of the Commission’s Rules. WOW! hereby requests the Commission grant it that authorization. Applicant attests that it has a Federal Registration Number (FRN), and that it shall apply for a IPES Operating Company Code (OCN) from the National Exchange Carrier Association (NECA) following grant of this Application and that the OCN will be published in the Local Exchange Routing Guide (LERG) and the Number Porting Administrative Company (NPAC) to support the numbering assignments and telephone number porting activities.

**(B) § 52.15(g)(3)(i)(B)**

WOW! acknowledges that authorization to obtain numbering resources under Section 52.15(g) of the Commission's Rules is subject to compliance with applicable Commission numbering rules as well as to the numbering authority delegated to the states. WOW! also acknowledges that this authorization is subject to compliance with industry guidelines and practices regarding numbering, as applicable to telecommunications carriers.

**(C) § 52.15(g)(3)(i)(C)**

WOW! acknowledges that it must file requests for numbers with the relevant state commission(s) at least thirty (30) days before requesting numbers from the Numbering Administrators.

**(D) § 52.15(g)(3)(i)(D)**

WOW! is fully capable of providing service within sixty (60) days of the numbering resources activation date. WOW! has developed porting processes to enable carriers to submit porting requests and WOW! personnel have extensive experience performing number porting and block code activation activities. WOW! currently provides services to customers as a Competitive Local Exchange Carrier (CLEC). WOW! has an agreement in place with its CLEC partner to route traffic to and from the carriers and service providers providing service in the areas in which WOW! intends to provide VoIP service using its IPES OCN. As proof of its facilities readiness, WOW! has attached to this Application Exhibit A, a confidential agreement between WOW! and its carrier partner stipulating that the carrier partner will provide switching and transport services for traffic associated with WOW!'s numbering and, in that connection, provide connectivity to the PSTN for inbound calls to and outbound calls from WOW!'s numbers. WOW! is requesting confidential treatment under the Commission's rules for this Exhibit and has filed Exhibit A separately.

**(E) § 52.15(g)(3)(i)(E)**

WOW! certifies that it complies with its Universal Service Fund contribution obligations under 47 CFR part 54, subpart H, its Telecommunications Relay Service contribution obligations under 47 CFR § 64.604(c)(5)(iii), its North American Numbering Plan and Local Number Portability Administration contribution obligations under 47 CFR §§ 52.17

and 52.32, its obligations to pay regulatory fees under 47 CFR § 1.1154, and its 911 obligations under 47 CFR part 9.

**(F) § 52.15(g)(3)(i)(F)**

WOW! certifies that it has the financial, managerial, and technical expertise to provide reliable service. It is financially stable, and is led by a strong, experienced team of individuals with substantial managerial experience in the telecommunications industry. Senior personnel all have numerous years of experience in the telecommunications industry and experience in the provisioning of telecommunications and telecommunications-related services and lead a team of network, telephony, and customer service centric personnel who are highly qualified to manage operations at WOW!

Applicant has a fully integrated back-office support system with the ability to schedule and process Local Number Portability (LNP) orders from customers and carriers and has an experienced provisioning department capable of handling bulk number ports with over fifteen (15) years LNP experience as a CLEC. WOW! has an agreement in place with a CLEC partner to exchange traffic to and from those carriers and service providers providing service in the areas in which WOW! intends to serve. Applicant is in good regulatory standing with the FCC.

WOW!'s key management and technical personnel are listed below. None of the personnel identified or named in this Application are being or have been investigated by the Commission or any law enforcement or regulatory agency for failure to comply with any law, rule, or order.

Blair Day SVP, Network & Product Engineering

**(G) § 52.15(g)(3)(i)(G)**

Applicant certifies that no party to this Application is subject to a denial of Federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. § 862.

**II. ACKNOWLEDGEMENT OF CONDITIONS IN SECTION 52.15(g)(3)(iv)**

As required by Section 52.15(g)(3)(iv), Applicant will maintain the accuracy of all contact information and certifications in this Application, and will file a correction with the Commission and each applicable state within thirty (30) days of any changes. WOW! will also furnish accurate regulatory and numbering contact information to each state commission when requesting numbers in that state.

**CONCLUSION**

Pursuant to Section 52.15(g)(3)(i) of the Commission's Rules, WOW! respectfully requests the Commission grant this Application for authorization to obtain numbering resources and to operate under an IPES Operating Company Number.

Respectfully submitted,
