Re: *Interconnected VoIP Numbering Authorization Application Filed by Zoom Voice Communications, Inc. Pursuant to Section 52.15(g)(3) of the Commission's Rules*,
WC Docket No. 20-419

Dear Ms. Dortch:

On March 5, on behalf of Zoom Voice Communications, Inc., Dan Tingley and I, both of Harris, Wiltshire & Grannis LLP, met by phone with Melissa Kirkel, Michelle Sclater, and Jordan Reth of the Wireline Competition Bureau to discuss the above-captioned application and comments on the application filed by CarrierX.¹

On the call, Zoom Voice explained that CarrierX raised no public interest concerns related to Zoom Voice's application that merited further review by the Commission. Zoom Voice noted that the Commission previously had examined the generalized concerns raised by CarrierX and addressed them through notice and comment rulemaking.² Zoom further noted it would not be appropriate to address CarrierX's concerns in this party-specific proceeding.

Sincerely,

/s/
Brita D. Strandberg
