#### **B. § 52.15(g)(3)(i)(B)**

EON Telecom hereby acknowledges that authorization to obtain numbering resources under Section 52.15(g) of the Commission's Rules is subject to compliance with applicable Commission numbering rules as well as to the numbering authority delegated to the states. The Company hereby also acknowledges that this authorization is subject to compliance with industry guidelines and practices regarding numbering, as applicable to telecommunications carriers. EON Telecom intends to offer services immediately in **Washington** but seeks authority to access numbering resources throughout the United States.

#### **C. § 52.15(g)(3)(i)(C)**

EON Telecom acknowledges that it must file requests for numbers with the relevant state commission(s) at least 30 days before requesting numbers from the Numbering Administrators.

#### **D. § 52.15(g)(3)(i)(D)**

EON Telecom authenticates its' capability to provide service within 60 days of the numbering resources activation date. EON Telecom is a recently-established interconnected VoIP carrier providing voice and network services for small to medium sized businesses located in the United States. The Company was founded by several highly experienced telecommunications professionals and in addition, has several highly skilled technical employees. EON Telecom has negotiated an Interconnect Agreement with Peerless Networks, a (CLEC) Competitive Local Exchange Carrier, to serve as EON Telecom's access homing tandem and to route local and access traffic (both originating and terminating) to the **PSTN**. EON Telecom will interconnect with and broadcast Peerless's tandem platforms for the purposes of managing all codes assigned to EON Telecom OCNs. The interconnect agreement demonstrating the access to the platform and capability (Peerless Network) is attached to this application as Confidential Exhibit A. **EON Telecom will be Stir & Shaken compliant** and provide protections for their

customers as required by STI-GA Authorities, as well as call labeling and blocking via a “reputation database”.

In addition, Peerless's interconnection to the PSTN through it's MSA/ICA with (Qwest) LECs is included in Exhibit C. of this filing.

**E. § 52.15(g)(3)(i)(E)**

EON Telecom hereby certifies that it will comply with its Universal Service Fund contribution obligations under 47 CFR part 54, subpart H, its Telecommunications Relay Service contribution obligations under 47 CFR § 64.604(c)(5)(iii), its North American Numbering Plan and Local Number Portability Administration contribution obligations under 47 CFR §§ 52.17 and 52.32, its obligations to pay regulatory fees under 47 CFR § 1.1154, and its 911 obligations under 47 CFR part 9.

**F. § 52.15(g)(3)(i)(F)**

The Company certifies that it has the financial, managerial, and technical expertise to provide reliable service. It is financially stable, led by a strong, experienced management team with substantial managerial experience in the telecommunications industry, and has sufficient technical expertise and infrastructure in place to provide reliable numbering services. EON Telecom's key management and technical personnel are identified in attached Exhibit B. None of the identified personnel are being or have been investigated by the Commission or any law enforcement or regulatory agency for failure to comply with any law, rule, or order.

**G. § 52.15(g)(3)(i)(G)**

EON Telecom hereby certifies that no party to this application is subject to a denial of Federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988,21 U.S.C. § 862.

**II. ACKNOWLEDGEMENT OF CONDITIONS IN SECTION 52.15(g)(3)(iv)**

As required by Section 52.15(g)(3)(iv), EON Telecom will maintain the accuracy of all contact information and certifications in this application and will file a correction with the Commission and each applicable state within 30 days of any changes. EON Telecom will also furnish accurate regulatory and numbering contact information to each state commission when requesting numbers in that state.

### **III. CONCLUSION**

Pursuant to Section 52.15(g)(3)(i) of the Commission's Rules, EON Telecom, respectfully requests the Commission grant this application for authorization to obtain numbering resources.

Respectfully submitted for EON Telecom, INC.
