*Re: Relinquishment of Interconnected VoIP Numbering Authorization Held by Flowroute Inc.; WC Docket No. 16-265*

Dear Ms. Dortch:

Flowroute Inc. (“Flowroute”), through its undersigned counsel, hereby respectfully notifies the Commission that it relinquishes its authorization to obtain numbering resources from the Numbering Administrator as an interconnected Voice over Internet Protocol (“VoIP”) provider.<sup>1</sup> This authorization is no longer required as a result of a transaction whereby Flowroute Inc. was merged into West Telecom Services Holdings, LLC (“West Holdings”). The transaction was consummated effective February 1, 2019. As a result of the transaction, Flowroute was dissolved as a legal entity, and West Holdings was the surviving company.

The numbers held by Flowroute Inc. were transferred to West Telecom Services, LLC (“West Telecom”), a subsidiary of West Holdings, as part of a post-merger asset transfer. West Telecom holds authorization to obtain numbering resources from the Numbering Administrator as a common carrier pursuant to the Commission’s rules.

Flowroute understands that Commission approval is not required to surrender such authorization. Accordingly, Flowroute submits this letter for informational purposes to ensure the accuracy of the Commission’s records.

---

<sup>1</sup> Flowroute was granted authorization to obtain numbering resources on October 17, 2016. *Notice of Interconnected VoIP Numbering Authorization Granted*, Public Notice, 31 FCC Rcd 11681 (2016); *see also* Interconnected VoIP Numbering Authorization Application Filed by Flowroute Inc. Pursuant to Section 52.15(g)(3) of the Commission’s Rules, WC Docket No. 16-265 (filed Aug. 15, 2016).

If you have any questions regarding this notification, please contact the undersigned.

Respectfully submitted,

/s/ Phillip Marchesiello
